APPLIANCE CONSULTANT

Sears Commercial has a full time job opening for an Appliance Consultant in our Fort Wayne office; training provided. Our consultants work strictly with our commercial customers (no retail) including builders and their home owners with their appliance selections along with other supporting duties. This position requires someone who is self-motivated, sales oriented, detail oriented, works well under pressure, can multi task and likes to take charge.

Please contact:
Christine Smith (260) 486-7329 or
Email christine.smith@searshc.com

MAINTENANCE TECHNICIAN
